

Literacy

* Individualised literacy tasks in home pack

- Work on your motor skills by doing lots of drawing/writing (remember correct 'pinchy pencil grip') and cutting. Try some of the finger gym ideas or handwriting sheets (in your home pack).
- Can you write your name with the correct letter formation?
- Read lots of stories at home or listen to some on youtube.
- Can you explain how characters are feeling and why?
- Can you predict what will happen next?
- Can you retell any parts of the story?
- Tell or write your own castle themed story. (comic story template in pack)
- Work on reading or writing some common and CVC words.

Sensory play

- Make your own playdough (recipe in home pack).
- Gluck: Cornflour and water
- Shaving foam
- Try making slime!

Topic- Castles

- Draw a castle picture or scene.
- Can you add anything to your castle model you took home? – a moat, furniture, characters...
- Can you role play as characters who might live in a castle? Make a crown or some puppets at home.
- Look at pictures on the internet of different castles around the world. Make a powerpoint with your pictures. You could share this with our class when we are back at school.

Home learning- Green class

Health and Well-being

- Try some new foods you haven't tried before.
- Can you plan some new meals for the week (using meal plan template in pack) and help to cook/prepare them?
- Play a board game with to practice taking turns.
- Try a story massage to relax (one in pack).
- Do some household chores – such as the dishes, sort the recycling.

Numeracy & Maths

* Individualised numeracy tasks in home pack

Counting

- How high can you count forwards?
- Can you count backwards from 10 to 0?
Or even from 20 to 0?

- Do you recognise numerals to 100?

Use these games:

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

<https://www.topmarks.co.uk/learning-to-count/chopper-squad>

Addition and subtraction

<https://www.starfall.com/h/addsub/add-machine-1/?sn=math1--math0>

<https://www.topmarks.co.uk/maths-games/mental-maths-train>

(Use pasta or pencils as counters for these tasks)

Time

We have been working on days, seasons + months.

We are about to start telling the time.

- Can you make your own analogue clock at home?
- Can you tell some o'clock times?

There are lots of good online numeracy and maths games (including tablet friendly) on this website:
